Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for stabilization of ATB-531 in surface transportation reauthorization legislation.

The project sponsor for this project is the Ohio Department of Transportation and the project is located at Lake Road West, Ashtabula, OH 44004. The funding is designated for stabilization of ATB-531 (Lake Road West) between La Bounty Road and N. Main St. The project is an appropriate use of taxpayer dollars and is anticipated to stabilize the roadway embankment to prevent the loss of pavement into Lake Erie. Without this stabilization project, the road faces the threat of serious damage due to erosion.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David P. Joyce
Member of Congress
